

2023 Backflow Assembly Tester (B.A.T.) List

The City of Ellensburg makes no representation regarding the abilities, performance or quality of service to the Certified Backflow Assembly Testers (BATs) listed below. Further, the City of Ellensburg does not assume or accept any responsibility for the actions or performance of such testers. This list is provided as a convenience to our water service customers. This list does not include all certified BATs and is not a recommendation to hire. Customers are to use their own judgment with respect to contracting with these or any other testers.
